

Achēv's Accelerating Career Advancement (ACA) program is designed to empower internationally trained professionals in Ontario by providing accessible funding to advance their qualifications, pursue Canadian licensing, and gain certifications necessary for workforce success. See key program features:

Flexible 1-5 Year Repayment Terms: Choose repayment plans that align with your financial situation.

Up to \$30,000 in Micro-Loans: Covering accreditation, tuition, certifications, licensing, living expenses, and other qualifying costs.

Industry-Leading Rate: Advancing market integration with accessible career loans.

ELIGIBLE APPLICANTS Ontario residents with international education or training who are Convention Refugees, Permanent Residents, or Canadian Citizens. Applicants need a source of income, combined household income amount, or a guarantor cosigner to qualify.
